Mr. Blanchard brings to Bengal a strong technical background, coupled with hands-on experience in all aspects of corporate finance, financial reporting, implementation of controls and governance for a public company operating in international jurisdictions. "We are very pleased to welcome Mr. Blanchard to the Bengal team," said Chayan Chakrabarty, Bengal's President and CEO. "His direct experience in the financial management of a growing international energy company will be paramount as Bengal continues to pursue the development of our assets."

Mr. Blanchard will be replacing Mr. Bryan Goudie, who served as Bengal's CFO since 2006, and is resigning from the company to pursue other opportunities. Mr. Goudie will continue to provide transitional assistance to the company until December 22, 2013.

"Bryan has been a valued member of the Bengal team through its evolution to date, providing financial management as the Company transitioned from pure exploration through to production. On behalf of the Board of Directors and Bengal, I would like to thank Bryan for his contributions and wish him continued success in his future endeavours," said Chakrabarty.
