

Monarch Energy Enters into Share Exchange Agreement with ChroMedX Ltd.

20.12.2013 | [Newsfile](#)

Vancouver, British Columbia -- (Newsfile Corp. - December 20, 2013) - [Monarch Energy Ltd.](#) (TSXV: MNL) ("Monarch" or the "Company") is pleased to announce that it has entered into a share exchange agreement as of December 20, 2013 with ChroMedX Ltd. ("ChroMedX") and ChroMedX Inc. pursuant to which the Company has agreed to acquire from the ChroMedX shareholders all of the issued and outstanding shares of ChroMedX in exchange for an equal number of common shares in the capital of the Company (the "Acquisition"). It is expected, and as a condition of completion of the Acquisition, that ChroMedX will be the registered holder of certain patents and patents pending in the biomedical technology field currently held by ChroMedX Inc. ChroMedX is a private company incorporated pursuant to the laws of Ontario.

Concurrent with or prior to completion of the Acquisition, the Company will consolidate its common shares on a 10 for 1 basis as previously approved by the Company shareholders at the annual general and special meeting held on July 18, 2013 (the "Consolidation"), such that following completion of the Acquisition the Company will have issued a maximum of up to 28,500,000 common shares in the capital of the Company to ChroMedX shareholders for all of the issued and outstanding common shares of ChroMedX. This will result in former ChroMedX shareholders holding approximately 73.37% of the issued and outstanding common shares of the Company and, accordingly, ChroMedX becoming a wholly-owned subsidiary of the Company following completion of the Acquisition.

In connection with and as a condition of completion of the Acquisition, the Company will seek to obtain a listing of its common shares on the Canadian National Stock Exchange ("CNSX") and concurrently apply for a de-listing of its common shares from the facilities of the TSX Venture Exchange ("TSXV"). It is expected that the Company will de-list from the TSXV concurrent with the listing on the CNSX so that there is no gap in a trading market for the common shares. The Company has requested the TSXV to halt the trading of its common shares in anticipation of the Company obtaining approval from the CNSX with respect to the listing on the CNSX.

In order to satisfy certain conditions of the Acquisition, among other things, ChroMedX will be required to complete a private placement financing totaling a minimum of \$600,000 and a maximum of \$1,200,000 ("Private Placement") through the issuance of 12,000,000 units of ChroMedX at a price of \$0.10 per unit. Each unit will consist of the following: (i) one ChroMedX common share; (ii) one-half common share purchase warrant, each whole warrant entitling the holder to acquire one ChroMedX common share at an exercise price of CDN\$0.15 for a period of twelve (12) months following issuance of the warrant; and (iii) one-half common share purchase warrant, each whole warrant entitling the holder to acquire one ChroMedX common share at an exercise price of CDN\$0.25 for a period of eighteen (18) months following issuance of the warrant.

The ChroMedX common shares, and any common shares to be issued on exercise of the warrants, will be subject to a four month hold period commencing from the date of issuance.

The completion of the Acquisition is conditional upon, among other things, the receipt of all necessary TSXV, CNSX and shareholder approvals, the Private Placement being completed, and satisfaction of customary due diligence investigations of the Company and ChroMedX. In addition, it is anticipated that all outstanding stock options of the Company will be cancelled prior to completion of the Acquisition.
