Calgary, Alberta CANADA, January 06, 2014 /FSC/ - [Morro Bay Capital Ltd.](#) (MRW.P - TSX Venture), a capital pool company ("Morro Bay" or the "Corporation"), is pleased to announce a brokered private placement offering of a minimum of 5,000,000 common shares ("Common Shares") and a maximum of 7,500,000 Common Shares at a price of \$0.10 per Common Share for minimum gross proceeds of \$500,000 and maximum gross proceeds of \$750,000 (the "Offering"). The completion of the Offering is a condition for TSX Venture Exchange acceptance of the Corporation's proposed qualifying transaction (the "Qualifying Transaction"), which is described in detail in the Corporation's management information circular dated December 18, 2013 (the "Information Circular") and the Corporation's press release dated December 23, 2013, both of which may be accessed on SEDAR at www.sedar.com.

The Offering is being made on a "commercially reasonable efforts" agency basis by Richardson GMP Limited (the "Agent") on behalf of the Corporation. Morro Bay expects to close the Offering on or about January 15, 2014 (the "Closing Date"), subject to, among other things, closing of the Qualifying Transaction, completion of satisfactory due diligence by the Agent, receipt of applicable regulatory approvals, including the approval of the TSX Venture Exchange of the Qualifying Transaction and the Offering.

The Corporation has agreed to pay the Agent a cash commission equal to 10% of the gross proceeds of the Offering and issue Common Share purchase warrants to the Agent as additional compensation in an amount equal to 10% of the total number of Common Shares issued by the Corporation pursuant to the Offering ("Agent Warrants"). Each Agent Warrant will be exercisable for one Common Share at a price of \$0.10 per Common Share for a period of 24 months following the closing date of the Offering.

The Common Shares issued in connection with the Offering will be subject to a hold period of four months plus a day from the Closing Date, as required under applicable Canadian securities laws.

Morro Bay intends to use the net proceeds of the Offering to: (i) fund an exploration program on the Penoles Project; (ii) make cash payments to Riverside Resources Inc. that are required for Morro Bay to earn an interest in Penoles Project; and (iii) fund general and administrative expenses over the next 12 months, all as further described in the Information Circular.

The Corporation further announces that, subject to the approval of its shareholders, it will change its name to "Morro Bay Resources Ltd." (the "Name Change") in order to reflect the change in the Corporation's business resulting from its previously announced proposed qualifying transaction.

Trading Halt

The Common Shares are currently halted and Morro Bay anticipates they will remain halted until the Qualifying Transaction is completed.

Cautionary Note

Completion of the Qualifying Transaction is subject to a number of conditions, including but not limited to, final Exchange acceptance. There can be no assurance that the Qualifying Transaction will be completed as proposed or at all.

Investors are cautioned that except as disclosed in the Information Circular (with the exception of disclosure regarding receipt of Exchange conditional acceptance of the Transaction, which is provided in Corporation's new release dated December 23, 2013), any information released or received with respect to the Transaction may not be accurate or complete and should not be relied upon. Trading in the securities of a capital pool company should be considered highly speculative. The Exchange has in no way passed on the merits of the proposed Qualifying Transaction and has neither approved nor disapproved the contents of this press release.
