

# Animas Mails Directors' Circular and Cancels Special Meeting

08.01.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwired - Jan 7, 2014) - [Animas Resources Ltd.](#) (TSX VENTURE:ANI) has mailed to its shareholders a Directors' Circular as required by applicable securities laws in response to the unsolicited offer (the "Offer") by [Marlin Gold Mining Ltd.](#) ("Marlin") to acquire all of the outstanding common shares of the Company for \$0.10 per common share in cash. Animas previously stated its recommendation to shareholders to not tender their shares to the Offer on December 30, 2013. A copy of the Directors' Circular is available online at [www.sedar.com](http://www.sedar.com). Marlin has stated that the Offer expires at 5:00 p.m. (Eastern time) on January 28, 2014 (unless the Offer is extended, withdrawn or varied).

In addition, Animas was scheduled to have a special meeting on February 7, 2014 to seek shareholder approval of the sale transaction of the Santa Gertrudis Gold Project to [GoGold Resources Inc.](#) ("GoGold"). As GoGold announced its intention on December 30, 2013 to acquire all of the outstanding common shares and warrants of Animas, the Board of Animas has determined that it is in the best interest of the Company to cancel the special meeting and not incur associated costs for the time being.

*This press release contains "forward-looking information" which may include, but is not limited to, statements with respect to the mailing of the Directors' Circular, the cancellation of the special meeting and other plans, projections, estimates and expectations. Such forward-looking statements reflect our current views with respect to future events and are subject to certain risks, uncertainties and assumptions, including, the risks and uncertainties outlined in our most recent financial statements and reports and registration statement filed with the Canadian securities administrators (available at [www.sedar.com](http://www.sedar.com)). Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, believed, estimated or expected. The factors which could cause actual results or events to differ materially from current expectations include, but are not limited to: actions taken by Marlin; actions taken by Animas' shareholders in respect of the Offer; the possible effect of the Offer on Animas' business; and other factors identified and in Animas' filings with applicable Canadian securities regulatory authorities filed on SEDAR and available at [www.sedar.com](http://www.sedar.com).*
