In addition, the Company announces that the Listing Committee of Toronto Stock Exchange (the "TSX") has decided to delist the common shares of the Company effective February 19, 2014 from the TSX due to its failure to meet certain listing requirements. The Company is considering filing an appeal in accordance with the requirements of the TSX to repeal the decision of the Listing Committee. In order to ensure there is an appropriate market available for shareholders of Northern Sun, the Company has submitted a listing application to the TSX Venture Exchange (the "TSXV") to have the Company's common shares listed and publicly traded on the TSXV. The Company will be providing shareholders with updates on both the appeal with the TSX and listing procedure with the TSXV in the coming weeks.
