Forward-looking statements: Except for statements of historical facts, all statements in this news release regarding, without limitation, the Private Placement, new project acquisitions, future plans and objectives are forward-looking statements which involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions actual results and future events could differ materially from those anticipated in such statements. Factors that may cause the actual results to differ materially from those in forward-looking statements include precious metal prices, results of exploration and development activities, regulatory changes, defects in title, availability of materials and equipment, timeliness of government approvals, continued availability of capital and financing and general economic, market or business conditions. The Company cautions the foregoing list of important factors is not exhaustive. Investors and others who base themselves on the Company's forward-looking statements should carefully consider the above factors as well as the uncertainties they represent and the risk they entail.
