

# Gentor Resources: Closes Private Placement Financing

21.02.2014 | [Marketwired](#)

TORONTO, Feb. 20, 2014 - [Gentor Resources Inc.](#) ("Gentor" or the "Company") (TSX VENTURE:GNT) announces that, further to its January 31, 2014 press release, it has closed a non-brokered arm's length private placement of 2,000,000 units of the Company (the "Units") at a price of Cdn\$0.075 per Unit for proceeds to the Company of Cdn\$150,000. Each such Unit is comprised of one common share of the Company and one-half of one warrant of the Company, with each full warrant entitling the holder to purchase one common share of the Company at a price of Cdn\$0.10 for a period of two years. The Company intends to use the proceeds from this financing (the "Financing") for exploration activities related to the Company's Turkey properties and for general corporate purposes.

The said shares and warrants issued by the Company under the Financing are subject to a four month "hold period" and the resale rules of applicable securities legislation.

This press release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or the securities laws of any state of the United States and may not be offered or sold within the United States (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from such registration requirements.

## About Gentor

Gentor is a mineral exploration company whose projects include copper and gold properties in Turkey and the Sultanate of Oman. The Company's strategy is to create shareholder value by developing highly prospective mineral properties around the globe, with current focus in Turkey and the Sultanate of Oman.

## Forward-Looking Information:

*This press release contains forward-looking information. All statements, other than statements of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding the proposed use of the proceeds from the Financing) are forward-looking information. This forward-looking information reflects the current expectations or beliefs of the Company based on information currently available to the Company. Forward-looking information is subject to a number of risks and uncertainties that may cause the actual results of the Company to differ materially from those discussed in the forward-looking information, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on the Company. Factors that could cause actual results or events to differ materially from current expectations include, among other things, uncertainties relating to the availability and costs of financing needed in the future, risks related to the exploration stage of the Company's properties, the possibility that future exploration results will not be consistent with the Company's expectations, changes in world copper or gold markets and equity markets, political developments in Oman or Turkey, the uncertainties involved in interpreting exploration results and other geological data and the other risks disclosed under the heading "Risk Factors" and elsewhere in the Company's annual report on Form 20-F dated April 30, 2013 relating to the year ended December 31, 2012 filed on SEDAR at [www.sedar.com](http://www.sedar.com) and EDGAR at [www.sec.gov](http://www.sec.gov). Forward-looking information speaks only as of the date on which it is provided and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.*

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

*NOT FOR DISSEMINATION IN THE UNITED STATES*
