NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES.

TORONTO, ONTARIO -- (Marketwired - March 4, 2014) - [Roxgold Inc.](#) (the "Company") (TSX VENTURE:ROG) has announced today that, due to strong demand, the Company has increased the size of its previously announced public offering to 43,200,000 common shares (the "Common Shares"), at a price of C\$0.58 per Common Share for gross proceeds of C\$25,056,000 (the "Offering"). The Company has granted the Underwriters an option, exercisable at the offering price for a period of 30 days following the closing of the Offering, to purchase up to an additional 15% of the Offering to cover over-allotments, if any. The offering is expected to close on or about March 25, 2014 and is subject to the Company receiving all necessary regulatory approvals. The Offering is being led by BMO Capital Markets.

The net proceeds of the offering will be used to advance the Yaramoko Gold Project and further exploration at the property, as well as for general working capital purposes.

The Common Shares will be offered by way of a short form prospectus in all of the provinces and territories of Canada, excluding Quebec and may also be offered by way of private placement in the United States.

This press release is not an offer of the Common Shares in the United States or in any other jurisdiction in which the offer or sale of the Common Shares would be unlawful. The Common Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent an exemption from registration thereunder.
