

Britannia Mining Strengthens Its Board With Appointment of Non-Executive Director

03.12.2013 | [Marketwired](#)

NEW YORK, NY -- (Marketwired - Dec 3, 2013) - [Britannia Mining, Inc.](#) (BMIN or the Company) (OTC Pink: BMIN), the successor of a merger between UK based mining development company Britannia Mining Plc and U.S. based [Micron Enviro Systems](#) (Former Symbol: MSVS), announced that management bolsters its Board of Directors with the appointment of Mr. Gavin Scott.

Gavin has been appointed to Britannia's Board of Directors as a Non-Executive Board Member. He brings with him over twenty years senior management experience from tenures at UK London listed FTSE 100 companies, as well as FTSE 250 financial services and asset management companies. Gavin boasts an outstanding track record of corporate development, financing and governance. His experience encompasses several high level positions including Aviva Investors (Aviva plc subsidiary) -- one of the world's largest financial services firms with circa \$438 Billion USD under management in fixed income.

"We welcome Gavin to the board. His experience in banking and finance will augment our team and position the company for growth," stated Kenneth Roberts, CEO of Britannia Mining. "We expect our business to benefit considerably through his access to capital, strategic input, management support and shareholder focus."

Gavin Scott said, "Britannia is poised to capitalize on several high revenue opportunities and I'm delighted to join the team at this pivotal time. My primary role is to deliver capital which will assist management to secure the upside that is clearly obtainable by the company."

About Britannia Mining

[Britannia Mining](#) is a mining development company that is focused on acquiring high quality mineral and mining projects. The company is committed to developing revenues by conducting exploration and evaluation activities. The company's mission is to identify potential mineral targets to deliver value via developing sales opportunities.

Acquisition Focus

The company is targeting revenue producing assets and is currently in negotiations regarding acquisition of mineral stockpiles.

Exploration Focus

The company has been developing a high grade iron ore project in Malawi and is currently renewing the Exclusive Prospecting License (EPL) for iron ore over 650 sq km at Nthale Blantyre. The company is targeting 100 Million Tons (MT) iron at Nthale Hill (20 sq km).

Britannia Mining has inherited the legacy projects (Gold claims) of the former Micron Enviro Systems in the Yukon and plans to conduct sampling on this area.
