

Hemisphere Energy Adopts Advance Notice Policy

13.03.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Mar 13, 2014) - [Hemisphere Energy Corp.](#) (the "Company") (TSX VENTURE:HME) is pleased to announce that its Board of Directors has approved the adoption of an Advance Notice Policy (the "Policy") to take effect immediately. The purpose of the Policy is to: (i) facilitate an orderly and efficient annual general or, where the need arises, special meeting, process, (ii) ensure that all shareholders receive adequate notice of the director nominations and sufficient information regarding all director nominees, and (iii) allow shareholders to register an informed vote after having been afforded reasonable time for appropriate deliberation.

The Policy, among other things, includes a provision that requires advance notice to the Company in certain circumstances where nominations of persons for election to the Board of Directors are made by shareholders of the Company. The Policy fixes a deadline by which director nominations must be submitted to the Company prior to any annual general or special meeting of shareholders and sets forth the information that must be included in the notice to the Company for the notice to be in proper written form.

In the case of an annual general meeting of shareholders, notice to the Company must be made not less than 30 days nor more than 65 days prior to the date of the annual general meeting, provided, however, that in the event that the annual general meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual general meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders, which is not also an annual general meeting, called for the purpose of electing directors (whether or not called for other purposes), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

Pursuant to the terms of the Policy, the Company will seek shareholder ratification of the Policy at its next annual general meeting of shareholders (the "Meeting") to be held in June 2014. If the Policy is not confirmed at the Meeting, the Policy will terminate and be of no further force and effect following the termination of the Meeting. The full text of this Policy is available under the Company's profile at www.sedar.com or upon request by mail at Suite 570, 789 West Pender Street, Vancouver, British Columbia V6C 1H2, by email at info@hemisphereenergy.ca, by phone at (604) 685-9255, or by fax at (604) 685-9676.
