13.03.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Mar 13, 2014) - [Astur Gold Corp.](#) (TSX VENTURE:AST)(FRANKFURT:CDC) ("Astur Gold" or the "Company") is pleased to announce the appointment of Dr. Ignacio García Matos to the Board of Directors Astur Gold.

Dr. García Matos has a wide range of experience advising both mining and renewable energy companies before licensing authorities in Spain, emphasizing the search for the most environmentally friendly and sustainable approach in all projects he is involved with. Dr. García Matos holds a PhD in Environmental Administrative Law from the *Universidad Autónoma de Madrid* and a Masters degree in Constitutional Law and Political Science from the *Centro de Estudios Políticos y Constitucionales* in Madrid. He has published several articles in national and international legal journals related to Environmental Law issues and also served as guest lecturer of Environmental Law at several Madrid Postgraduate Law Schools.

"We welcome Dr. García Matos to the Board of Astur Gold," stated President & CEO Cary Pinkowski. "His expertise in Spanish law and years of advice to the Company have been instrumental in the progress Astur Gold has achieved thus far. We look forward to working with Dr. García Matos as a Director of the Company."

Astur Gold also wishes to announce that Mr. Joshua Crumb has resigned from the Board of Directors of the Company in order to focus on other business interests. The Board and management of Astur Gold would like to thank Mr. Crumb for his contributions to the Company over the years and wish him the very best in his future endeavours.

ABOUT ASTUR GOLD

Astur Gold is developing its 100% owned Salave Gold Project in Asturias, northern Spain. Salave is one of the largest undeveloped gold deposits in Western Europe. The Company received approval for an underground mine from the Commission for Environmental Affairs of the Principality of Asturias in November 2012. Astur Gold is conducting a Feasibility Study on Salave and intends to commence construction upon its completion and receipt of process plant, tailings, and water discharge approvals. The Company is building a partnership with the people of Asturias to generate sustainable economic benefits for the region while balancing the needs of environmental protection and social community development.
