

# Granite Creek Gold Ltd. Cancels Consulting Agreement

25.03.2014 | [Marketwired](#)

[Granite Creek Gold Ltd.](#) (the "Company") (**TSX VENTURE:GCX**) reports that due to difficult market conditions both the Company and Douglas McKay and Associates ("DMA") have agreed to cancel the Consulting Agreement entered into on August 30, 2013 (see August 30, 2013 press release). The cancelling of the Agreement is effective January 1, 2014. The Agreement was for DMA to provide general marketing services to the Company in order to raise the Company's profile.

## About Granite Creek Gold

Granite Creek is a Vancouver based exploration company in the business of acquiring and carrying out exploration on mineral properties, especially those with precious metals potential, with the goal of establishing a mineable mineral resource. Granite Creek's Canadian projects consist of the gold/copper/molybdenum Taseko Property, 225 km north of Vancouver, BC, on which it has an option to acquire a 70% interest; the 100% owned 654 ha Railway Property, a copper project in the highly prospective Stikine arch area of northwestern BC; and the 5611 ha Troitsa Property, a copper/molybdenum/gold/silver property located in central BC, on which it has an option to acquire a 100% interest. The Company also has an option to acquire a 100% interest in the 75 sq km Darsalam gold concession in Mali, West Africa.

This news release includes certain forward-looking statements or information. All statements other than statements of historical fact included in this release, including, without limitation, statements relating to regulatory approvals, exploration programs, and other future plans, objectives or expectations of the Company are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's plans or expectations include the Company's ability to obtain regulatory approval and to complete its exploration programs on schedule and other risks detailed herein and from time to time in the filings made by the Company with securities regulators. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise except as otherwise required by applicable securities legislation.
