Repairs are underway at the Redstone Mill in preparation for the first custom mill feed to begin on June 30<sup>th</sup>, 2014. In addition, the Company continues to review additional custom milling proposals from several companies with deposits in the Timmins area and additional assets to diversify its property portfolio."

## About Northern Sun Mining Corp.

Northern Sun owns two former producing nickel mines and a large, prospective, land package in the Shaw Dome area, a prospective nickel belt near Timmins, Ontario. Northern Sun owns the Redstone Mill which has operated as the only nickel concentrator in the Region. The Mill was designed with two processing circuits which are permitted to operate in tandem at 1,500 tonnes per day ("tpd"), but with the flexibility to operate independently processing two different ore types, each at 750 tpd.
