17.04.2014 | [Business Wire](#)

[RedTail Metals Corp.](#) (TSX-V: RTZ) ("Redtail") and [Northern Tiger Resources Inc.](#) (TSX-V: NTR) ("Northern Tiger") are pleased to announce that the TSX Venture Exchange has conditionally approved the proposed merger of Redtail and Northern Tiger, and all related transactions. Concurrently, the Exchange approved the change of Northern Tiger's name to "Golden Predator Mining Corp." and the consolidation of Northern Tiger's share capital on a 7 (old) for 1 (new) basis.

The shares of Northern Tiger and Redtail have been halted pending completion of the merger, which is anticipated to occur on Thursday, April 17, 2014. Following completion of the merger, Northern Tiger shares will commence trading on the TSX Venture Exchange, on a consolidated basis, under the trading symbol "GPY" and Redtail will be delisted.

A new CUSIP number of 38116P105 and a new ISIN number of CA38116P1053 have been obtained to distinguish the name change and consolidation. As a result of the consolidation (but excluding shares issued to Redtail shareholders on the merger), Northern Tiger will have 8,366,832 common shares issued and outstanding. If, as a result of the consolidation, a shareholder becomes entitled to receive a fractional common share, such fraction will be rounded down to the nearest whole number.
