

Minsud Restructures the Minas de Pinto Agreement, San Juan, Argentina

06.05.2014 | [Marketwired](#)

TORONTO, ONTARIO--(Marketwired - May 6, 2014) - [Minsud Resources Corp.](#) (TSX VENTURE:MSR) ("Minsud" or the "Company") announces the restructuring and rescheduling of payments on the existing Minas de Pinto's Option Agreement. The Minas de Pinto owners have settled the Minas de Pinto trust (the "Trust") and then transferred the 100% of the mining properties included in the former Option Agreement retaining the 100% interest in the Trust. Simultaneously, Minera Sud Argentina S.A., a 98.45 % controlled subsidiary of Minsud, acquired the 50% interest in the Trust for total consideration of US\$ 412,500 payable as follows: US\$ 50,000 at signature date, (already paid); US\$ 50,000 on May 7, 2015; US\$ 50,000 on November 7, 2015; US\$ 57,500 on May 7, 2016; US\$ 75,000 on May 7, 2017 and US\$ 130,000 on May 7, 2018.

The financing of the acquisition of the first 50% interest in the Trust is a non-recourse obligation. If Minsud cannot meet the payments it would have to return such interests to the Minas de Pinto's owners, but after paying the half of this first 50% the return would be proportional to any unpaid balance.

Additionally, the Minas de Pinto owners granted an Option to purchase the remaining 50% interest in the Trust by paying US\$ 1,335,000 on or before May 7, 2019. Such Option includes tenure of the mining properties and the exclusive right to explore and prospect on the Minas de Pinto properties.

Carlos Massa Minsud's President & CEO, states: "After restructuring the Brechas Vacas and now the Minas de Pinto Agreements, Minsud's management believes that it is in a much better position to continue with systematic exploration work on the Chita Valley Project."

About the Minas de Pinto Properties:

The Minas de Pinto properties package is made up of the following mining concession: Arqueros, San Marcos, Estrellita, Paulita, Paulita II, Pierina II, Pierina III, San Pablo, San Urbano and Rosita II, covering a surface of 2,445 hectares in the eastern part of the Chita Valley Project, adjacent to the Chita property.
