Replay Numbers: +1 905 694 9451 or Toll Free +1 800 408 3053. Passcode: 2215562#.

RBI is a Canadian company formed pursuant to the arrangement involving [Sirocco Mining Inc.](#) and [Canada Lithium Corp.](#) It currently owns Aguas Blancas, an iodine producing mine in northern Chile, and the Quebec Lithium Project near Val d'Or, the geographical heart of the Quebec mining industry. The Aguas Blancas mine is currently in production. The Quebec Lithium Project has completed construction and is in the commissioning phase. For more information regarding RBI, please refer to its public filings available at www.sedar.com.

Forward-Looking Statements

Certain information contained in this news release, including any information relating to the state of the lithium and iodine industries; statements regarding our ability and the timing to achieve and sustain commercial production and name-plate production levels of iodine; our ability to secure commercial orders from our customers; and our ability to become a material player in the lithium market are "forward-looking statements". These forward-looking statements relate to future events or future performance and reflect the Company's expectations regarding the future growth, results of operations, business prospects and opportunities of RBI. These forward-looking statements also reflect the Company's current internal projections, expectations or beliefs and are based on information currently available to the Company. In some cases forward-looking information can be identified by terminology such as "may", "will", "should", "expect", "intend", "plan", "anticipate", "believe", "estimate", "projects", "potential", "scheduled", "forecast", "budget" or the negative of those terms or other comparable terminology. The estimates and assumptions of RBI underlying the forward-looking statements in this news release may prove to be incorrect. Assumptions upon which such forward looking information include, among other things, successful and timely commissioning, ramp-up and production at the Québec Lithium Project; the lack of any further significant capital expenditures during the commissioning stage or to bring the hydrometallurgical process plant into production; the continuing support and cooperation of RBI's off-take partners; as well as financial predictions premised on such assumptions. Although the Company believes that the forward-looking information contained in this news release is based on reasonable assumptions, readers cannot be assured that actual results will be consistent with such statements. Accordingly, readers are cautioned against placing undue reliance on forward-looking information. RBI expressly disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, events or otherwise, except in accordance with applicable securities laws.
