08.05.2014 | [FSCwire](#)

Toronto, Ontario CANADA, May 08, 2014 /FSC/ - [California Gold Mining Inc.](#) (CGM - TSX Venture), ("California Gold" or the "Company") is pleased to announce that Vishal Gupta, P.Geo., who has served as the Company's Director of Corporate Development since May 2013 has been appointed as Chief Operating Officer. Mr. Gupta has been responsible for the planning, coordination and supervision of the Company's exploration programs at the Company's Fremont gold project since August 12, 2013.

Mr. Gupta is a P. Geo. registered with the Association of Professional Geoscientists of Ontario and has experience working with numerous junior exploration and development stage mining companies. Most recently he worked as an equity research analyst covering junior base metals and precious metals companies for numerous Toronto-based financial institutions including Dundee Capital Markets, Fraser Mackenzie and Global Financial. During his time as an exploration geologist for junior mining companies, Mr. Gupta was involved in various aspects of resource exploration, including the planning, preparation, execution and reconciliation of drill programs. As an equity research analyst covering junior mining companies, Mr. Gupta has conducted independent technical due diligence on numerous exploration and resource development programs throughout the United States, Canada, Mexico, Brazil, Argentina, Chile and Nicaragua.

In announcing Mr. Gupta's appointment, the Company's Interim President and CEO, Patrick Cronin, commented, "Mr. Gupta took over operations at the Fremont Project in challenging circumstances and the Board has been pleased with the ultimate recoveries he was able to obtain from the Phase I drill program and his planning and execution of the Phase II drill program. Mr. Gupta's appointment recognizes his competent management thus far and the confidence our Board has in his vision for the Fremont project. The Company will continue seeking opportunities to improve our management team."
