LAS VEGAS, May 12, 2014 - [Silver Stream Mining Corp.](#) (the "Company" or "Silver Stream") (OTCQB:AGSM) announced today it has completed its corporate due diligence and signed a definitive agreement ("Agreement") with Redstone Resources Corporation ("Redstone"), a private Nevada Corporation, to earn in and ultimately buyout the Zonia Copper Project ("Zonia") located in Yavapai County, Arizona, approximately 81 miles northwest of Phoenix, Arizona.

Silver Stream announced its first payment of \$83,333 to Redstone in its March 26, 2014 news release.

Upon completion of its First Tranche investment, Silver Stream will make a \$1,500,000 Second Tranche investment to acquire an additional 7,500,000 shares of Redstone's Common Shares at \$0.20/share for a 19.76% total equity position in Redstone. The purpose of the Second Tranche investment is to perform additional reverse circulation and core drilling on the Zonia property.

Upon completion of its \$1,500,000 USD Second Tranche investment, Silver Stream will have a twelve (12) month period to complete a Third Tranche investment of \$4,500,000 USD to acquire an additional 22,500,000 shares of Redstone's Common Shares at \$0.20/share for a 44.45% total equity position in Redstone. The purpose of the Third Tranche investment is to complete a definitive feasibility study ("Feasibility Study") for Zonia.

Silver Stream will have 80% Warrant coverage on each of the First, Second and Third Tranche investments into Redstone which will allow the Company to own a controlling equity interest (62.3%) in Zonia upon conversion of Warrants.

Provisions have been made for Silver Stream to increase its total equity position to 75% for \$3,373,851 USD. Silver Stream can ultimately increase its equity position to 100% and buyout Redstone for \$6,426,149 USD or 7% of net present value as determined by the Feasibility Study including any feasibility adjustments.

In the event Silver Stream does not convert its Warrants into Common Shares, Redstone will have the right and option to purchase in one or more transactions up to 100% of the securities acquired by Silver Stream in the Second Tranche and Third Tranche purchase transactions (inclusive of the Shares and Warrants for such tranches) at a cost equal to Silver Stream's total investment in the Shares that Redstone elects to repurchase from the Second Tranche and/or Third Tranche Shares.
