

Apec Group Introduces Tian Ji Group Representatives from China to Investment Opportunities in Energy and Resources

13.05.2014 | [ABN Newswire](#)

Sydney, Australia (ABN Newswire) - Apec Group co-ordinated a visit to Sydney by the Tian Ji Group representatives seeking investment opportunities in the resources and energy sector.

The Tian Ji group has a number of subsidiaries in various sectors, including energy, resources, technology, infrastructure and real estate. In the resources and energy sectors Tian Ji operates Indonesia Tian Ji Energy Limited which is engaged in exporting and mine development for coal, non-ferrous metals (gold, lead-zinc, copper, nickel, etc.) and other minerals as well as Henan Tian Ji Mining Ltd. which is engaged in domestic and foreign mining investment, mineral development, trade and mining construction, while holding a number of related mining companies, involving in ferrous metals, nonferrous metals, rare metals, coal and stone.

Visiting Sydney, Tian Ji met with Argent Minerals, Mt Adrah Mining Ltd and Revolution Metals resulting in minesite visits.

About Mt Adrah Gold Limited:

The Mount Adrah Gold Project is transitioning from 'Explorer' to 'Emerging Producer'.

Unlike greenfield exploration companies, Mount Adrah Gold will build from the solid base of a substantial Mineral Resource. Exploration continues for additional resources, both incremental and substantial within our wholly owned prospects.

About Argent Minerals Limited:

[Argent Minerals Ltd.](#) is an Australian publicly listed company with a 100% interest in a silver/gold project at Kempfield NSW. Work is underway on the preparation of an EIS and a feasibility study for the first stage of the project which will involve heap leaching some 8.8 million tonnes of mainly oxide and transitional material to produce over 9.5 million ounces of silver and 15,000 ounces of gold over a 5 year mine life. Argent is also earning up to a 70% interest in two other NSW projects - gold at West Wyalong and base metals at Sunny Corner.

About Revolution Metals:

Revolution Metals is an Australian based developer of mineral resources. The focus of the company is to develop mineral assets of economic grade to production, providing investors with rapid return on investment.

About APEC Group:

APEC is an Australian based, international investment company, with strategic partners and selected investments in the Asia Pacific Region. APEC as an International Investment Corporation is focused on international Project Investment and providing appropriate credit instruments. We both invest and identify and provide the best loans in the international financial market.

About Tian Ji Group:

Shenzhen Tian Ji Group Co. Ltd. is a diversified multinational investment group, it has formed four industry layout of investment in mineral resources, the international trade of coal and mineral products, real estate development and capital operation, and is investing in the region including mainland China, Hong Kong, Russia, Indonesia and other countries and regions.
