Brian Goss Joins Board of [Lithium Corp.](#)

Las Vegas, Nevada US, June 05, 2014 /FSC/ -[Lithium Corp.](#) (OTCQB: LTUM) (the "Company", or "Lithco") is pleased to announce that Mr. Brian Goss has joined the Board of Directors of [Lithium Corp.](#)

Mr. Goss graduated from Wayne State University with a Bachelor of Science Degree in Geology in 2003, and apart from a short stint working for Kennecott Exploration during the early exploration stages of the Eagle Project in Michigan's Upper Peninsula, has been based in Northern Nevada since. On arrival in Nevada he worked as a staff geologist for [Cameco Corp.](#), and its subsequent spin out company, [Centerra Gold Inc.](#), where he helped contribute to the expansion of the +1 million ounce REN gold deposit that was eventually taken over by Barrick Gold. Mr. Goss has held several other project geologist positions prior to eventually founding Rangefront Geological in early 2008. Brian has built Rangefront into a premier geological services company that caters to a large spectrum of clients in the mining and minerals exploration industries. Since mid-2012 Mr. Goss has served as the President, Chief Executive & Financial Officers, Treasurer, & Director of [Graphite Corp.](#), a junior OTC exploration company exclusively focused on exploring for battery grade graphite deposits in the continental USA.

Tom Lewis, [Lithium Corp.](#)'s president recently remarked, "We are pleased that Brian has joined [Lithium Corp.](#)'s Board of Directors. He brings a wealth of hands-on experience with respect to day-to-day operations, and it is anticipated that his addition to the Board will be a very positive energizing experience, as we strive to ensure that [Lithium Corp.](#) remains vigorous, and vibrant. Additionally, we'd like to thank John Hiner who has served as a director of [Lithium Corp.](#) since inception in 2009, and who has recently decided to resign from the Board of Directors. All of us at [Lithium Corp.](#) would like to wish John all the best in his future endeavors."

About Lithium Corporation

[Lithium Corp.](#) is an exploration company based in Nevada devoted to the exploration for new lithium resources within the state of Nevada, and graphite in British Columbia. The Company currently explores with an eye to develop potentially economic lithium-enriched brine fields, or flake graphite deposits intending to capitalize on opportunities within the ever expanding Lithium-Ion battery market. [Lithium Corp.](#) maintains a strategic alliance with Altura Mining, an ASX listed coal producer who expects to begin producing Iron Ore from the Mt Webber property in Western Australia shortly. Additionally Altura is currently searching for off-take contracts for its 100% owned world-class Pilgangoora lithium pegmatite property in Western Australia.

Notice Regarding Forward-Looking Statements

This current report contains "forward-looking statements," as that term is defined in Section 27A of the United States Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Statements in this press release which are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future, including but not limited to, any mineralization, exploration and development of our mineral properties, specifically in regards to any future drilling programs.

Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, the inherent uncertainties associated with mineral exploration and difficulties associated with obtaining financing on acceptable terms. We are not in control of minerals prices and these could vary to make development uneconomic. These forward-looking statements are made as of the date of this news release, and we assume no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements. Although we believe that the beliefs, plans, expectations and intentions contained in this press release are reasonable, there can be no assurance that such beliefs, plans, expectations or intentions will prove to be accurate. Investors should consult all of the information set forth herein and should also refer to the risk

factors disclosure outlined in our most recent annual report for our last fiscal year, our quarterly reports, and other periodic reports filed from time-to-time with the Securities and Exchange Commission.
