07.06.2014 | [Marketwired](#)

CALGARY, ALBERTA--(Marketwired - Jun 6, 2014) - [Athabasca Nuclear Corp.](#) (TSX VENTURE:ASC) ("Athabasca Nuclear" or the "Corporation") is pleased to report that it has closed its previously announced financing (the "Private Placement") for gross proceeds of \$161,759.01. A total of 2,310,843 units were issued as part of the Private Placement.

The Private Placement was announced on April 25, 2014 and amended by news release dated May 27, 2014. The Private Placement was comprised of units priced at \$0.07, which consisted of one common share and one common share purchase warrant, with each warrant entitling the holder to acquire one additional common share at a price of \$0.105 for a period of twenty-four months.

The Chairman and CEO of the Corporation, Ryan Kalt, subscribed for a total of 1,428,600 units.

The units and underlying securities are subject to a four-month hold period from the date of issuance in accordance with applicable securities laws. The Private Placement remains subject to final acceptance by the TSX Venture Exchange. Athabasca Nuclear paid a 7% finder's fee on certain non-insider subscriptions in the Private Placement

The proceeds of the Private Placement will be used for exploration on the Company's mineral exploration properties and for general working capital purposes.
