

Alliance Mining Corp. Appoints Momentum PR for Public Relations

23.04.2014 | [Newsfile](#)

Vancouver, British Columbia -- (Newsfile Corp. - April 23, 2014) - [Alliance Mining Corp.](#) (TSXV: ALM) is pleased to announce that the Company has retained Momentum Public Relations Inc. ("Momentum") to provide investor relations services for the Company whose services will include assisting with the dissemination of information about the Company.

"We are very pleased that Max Gagne and his talented team have agreed to work side by side with Alliance, as I believe their vast experience and contacts should improve the company's corporate communications and marketing activities with shareholders, finance professionals and the media."

Chris Anderson, CEO of Alliance

Momentum is a Montreal-based, comprehensive provider of investor relations services, specializing in the resource industry. Momentum will assist Alliance in increasing public awareness of the Company by managing the Company's corporate communications and marketing activities, and facilitating dialogue with the Company's shareholders, finance professionals, analysts and media contacts.

Mr. Gagne, Momentum PR's president, commented: "We are excited to add Alliance Mining to our umbrella of carefully chosen mining clients. The Alliance team has a very impressive track record, and we are confident in their ability to take Alliance to the production level."

The agreement with Momentum is for a one-year term commencing immediately at \$5,000 per month. Alliance has agreed to issue Momentum 200,000 stock options exercisable at \$0.15.

About Alliance:

Alliance mining has been focused on acquiring and delineating highly prospective Gold and Silver mineral properties in Arizona's most prolific gold producing area - Yavapai County located in central Arizona. Over the past decade the company has built up an extensive inventory of geologically significant properties, most of whom have experienced gold and silver production in the past century. The company plans to take these properties to the next stage of exploration and development using modern techniques unavailable to earlier miners.

ON BEHALF OF THE BOARD

"Patrick Forsellie "
Mr. Patrick Forsellie CFO - Director

Certain of the statements made and information contained herein constitutes "forward-looking information" within the meaning of the Securities Act (British Columbia). This includes statements concerning the Company's plans at its mineral properties, which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry

results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Forward-looking information is subject to a variety of risks and uncertainties which could cause actual events or results to differ from those reflected in the forward-looking information, including, without limitation, the availability of financing for activities, risks and uncertainties relating to the interpretation of drill results and the estimation of mineral resources and reserves, the geology, grade and continuity of mineral deposits, the possibility that future exploration, development or mining results will not be consistent with the Company's expectations, metal price fluctuations, environmental and regulatory requirements, availability of permits, escalating costs of remediation and mitigation, risk of title loss, the effects of accidents, equipment breakdowns, labour disputes or other unanticipated difficulties with or interruptions in exploration or development, the potential for delays in exploration or development activities, the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations, currency fluctuations, expectations and beliefs of management and other risks and uncertainties. In addition, forward-looking information is based on various assumptions. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements. Accordingly, readers are advised not to place undue reliance on forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information, whether as a result of new information, future events or otherwise.
