

# Banks Island Closes Third and Final Tranche of Non-Brokered Private Placement Offering

11.07.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwired - July 11, 2014) - [Banks Island Gold Ltd.](#) ("Banks Island" or the "Corporation") (TSX VENTURE:BOZ) is pleased to announce that it has closed the third and final tranche of its previously announced non-brokered private placement offering (the "Offering").

In connection with the closing of the third tranche of the Offering, the Corporation has issued 170,000 Units at a price of \$0.45 per Unit and 548,500 Flow Through Units at a price of \$0.50 per Flow Through Unit, for gross consideration of \$350,750.00, less previously announced finder's fees.

In total, the Corporation raised gross proceeds from the Offering of \$4,341,040 through the issuance of 3,542,866 units and 5,493,500 flow through units. The Company intends to use the net proceeds of the Offering for continued exploration and development activities on its Yellow Giant Gold Property located on Banks Island in British Columbia.

Each Flow-Through Unit consists of one flow-through common share and one half of one non-transferrable share purchase warrant. Each whole warrant entitles the holder thereof to acquire one non flow through common share in the capital of the Company at a price of \$0.60 per Common Share for a period of twenty-four months following closing of the financing.

Each Common Share Unit consists of one Common Share and one non-transferable share purchase warrant. Each whole warrant entitles the holder thereof to acquire one common Share at a price of \$0.60 per Common Share for a period of twenty-four (24) months following the closing of the Offering.

The Company will pay to certain finders, including Secutor Capital Management Corp., a fee equal to 8% of the gross proceeds received by the Company from the sale of certain of the FT Units and NFT Units and will issue finder warrants ("Finder Warrants") entitling certain finders to purchase that number of shares of the Company equal to 8% of the total number of NFT Units and FT Units sold pursuant to the Offering.

The securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act"), or under any state securities laws, and may not be offered or sold, directly or indirectly, or delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) absent registration or an applicable exemption from the registration requirements. This news release does not constitute an offer to sell or a solicitation to buy such securities in the United States.

The Company is a mining company focused on gold production, exploration, and development of economically viable mineral resources. The Company's mineral property is located in British Columbia.
