

# TriStar Extends Warrants

01.08.2014 | [The Newswire](#)

Houston, TX / TNW-ACCESSWIRE / August 1, 2014 / [TriStar Gold Inc.](#) (the Company) is pleased to announce that an application has been approved by the TSX Venture Exchange to extend the term of 2,700,000 share purchase warrants outstanding (the "Warrants") previously issued by the Company on July 30, 2012. The Warrants were scheduled to expire on July 30, 2014, but will now expire on December 20, 2015. All other terms of the Warrant will remain in effect.

For additional information on the original issuance of the Warrants, please refer to the press release of the Company dated July 31, 2012 and filed on SEDAR.

Warrant holders are advised that replacement Warrant certificates will not be issued and that the original Warrant certificates must be presented to the Company's transfer agent in order to effect the exercise of such Warrants.

## About TriStar:

TriStar Gold is a gold exploration company focused on high-potential properties in Brazil. In addition to Castelo de Sonhos, TriStar holds another exploration project in the Tapajos district known as the Bom Jardim Property. The Company's shares are listed on the TSX Venture Exchange under the symbol TSG-V. Further information is available at [www.tristarau.com](http://www.tristarau.com)

## Forward-Looking Statements

*Certain statements contained in this press release may constitute forward-looking statements under Canadian securities legislation which are not historical facts and are made pursuant to the "safe harbour" provisions under the United States Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based upon the Company's reasonable expectations and business plan at the date hereof, which are subject to change depending on economic, political and competitive circumstances and contingencies. Readers are cautioned that such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause a change in such assumptions and the actual outcomes*

*and estimates to be materially different from those estimated or anticipated future results, achievements or position expressed or implied by those forward-looking statements. Risks, uncertainties and other factors that could cause the Company's plans to change include changes in demand for and price of gold and other commodities (such as fuel and electricity) and currencies; changes or disruptions in the securities markets; legislative, political or economic developments in Brazil; the need to obtain permits and comply with laws and regulations and other regulatory requirements; the possibility that actual results of work may differ from projections/expectations or may not realize the perceived potential of the company's projects; risks of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in development programs; operating or technical difficulties in connection with exploration, mining or development activities; the speculative nature of gold exploration and development, including the risks of diminishing quantities of grades of reserves and resources; and the risks involved in the exploration, development and mining business. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.*
