About EnerCom's The Oil & Gas Conference® 19

EnerCom's The Oil & Gas Conference® 19 offers an exceptional roster of speakers, timely and relevant agendas, and ideal locations to discover unique companies. The conference provides presenters with a unique opportunity to meet and network with institutional investors, research analysts and high net worth investors. The Conference offers an unmatched set of vertical communication channels, interviews on world-class cable news programs and live streaming internet audio.

About American Sands Energy Corp.

[American Sands Energy Corp.](#) is a development stage Delaware company with primary operations in Utah. The Company has acquired rights to oil sand ore covering approximately 1,800 private acres of prime oil sand deposits in the Sunnyside area of Utah. The Company has an extraction and recovery system using a licensed proprietary solvent that separates oil and other hydrocarbons from sand, dirt and other substances without creating tailing ponds and other environmental hazards. For more information, visit www.americansandsenergy.com.

Forward Looking Statements

This release contains forward-looking statements regarding AMSE's future plans and expected performance based on assumptions the Company believes to be reasonable. A number of risks and uncertainties could cause actual results to differ materially from these statements, including, without limitation, the success rate of business development efforts, exploration efforts and the timeliness of development activities, the ability to place the project into full production; the ability to secure all necessary mining permits in a timely manner, fluctuations in energy prices, confirmation of estimated resources, and other risk factors described from time to time in the Company's reports filed with the SEC. In addition, the Company operates in an industry sector where securities values are highly volatile and may be influenced by economic and other factors beyond the Company's control. American Sands Energy Corp. undertakes no obligation to publicly update these forward-looking statements, whether as a result of new information, future events or otherwise.
