Forward-Looking Statements

All statements, other than statements of historical fact, included in this press release are "forward-looking" statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including statements regarding the intent, belief or current expectations of [Rosetta Resources Inc.](#) and its subsidiaries (the "Company") and its management. These forward-looking statements are based upon current expectations and are subject to a number of risks, uncertainties and assumptions that could cause actual results to differ materially from those herein described. Accordingly, recipients are cautioned that these forward-looking statements are not guarantees of future performance. Please refer to the Company's risks, uncertainties and assumptions as it discloses from time to time in the Company's reports and registration statements filed with the SEC, including the risk factors in its most recent Form 10-K and other filings with the Securities and Exchange Commission, which can be found on the Company's website at www.rosettaresources.com. If one or more of these risks or uncertainties materialize (or the consequences of such a development changes), or should underlying assumptions prove incorrect, actual outcomes may vary materially from those forecasted or expected. The Company undertakes no obligation to publicly update or revise any forward-looking statements except as required by law.
