

Inception Mining Inc. CEO, Michael Ahlin, in an Exclusive Interview on StockTradersTalk.com

29.07.2014 | [GlobeNewswire](#)

SALT LAKE CITY, July 29, 2014 (GLOBE NEWSWIRE) -- [Inception Mining Inc.](#) (OTCQB:IMII) (the "Company"), a minerals resource company engaged in the acquisition, exploration, and development of primarily gold related properties, announced today that it will be a featured guest in an exclusive interview on July 29, 2014 at 9:00 am EDT. The interview will discuss the Company's U.P. and Burlington patented mining claims and the initiation of the Company's bulk sampling program and expanded resource confirmation program. Following the interview, an archived recorded version of the interview can also be found on the StockTradersTalk website at <http://www.stocktraderstalk.com/>.

About StockTradersTalk:

StockTradersTalk specializes in radio interviews and believes that when a CEO has the ability to demonstrate a company's passion and convey talking points on behalf of a company, StockTradersTalk can serve as an effective delivery platform. Press releases can provide value to companies, however, they can also lack the effectiveness that a webcast can provide in assisting CEO's to connect with current and potential shareholders on a more personal level.

StockTradersTalk Radio is an uncensored, comprehensive approach to disseminating vital facts about public companies trading on the OTC Markets.

About Inception Mining Inc.

We are a minerals resource company engaged in the acquisition, exploration, and development of primarily gold related properties. Our primary target properties are those that have been the subject of historical exploration having significant supporting data.

Forward-Looking Statements

This news release includes certain forward-looking statements or information. All statements other than statements of historical fact included in this release are forward-looking statements that involve various risks and uncertainties. Forward-looking statements in this news release include statements with respect to the potential mineralization and geological merits of the Company properties. There can be no assurance statements will prove to be accurate and actual results and future events could differ materially from anticipated in such statements.

Inception Mining Inc. disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events except as required by applicable securities legislation.
