27.08.2014 | [Marketwired](#)

VANCOUVER, Aug 27, 2014 - [Venerable Ventures Ltd.](#) (TSX VENTURE:VLV) ("Venerable" or the "Company") is pleased to announce that it has received its British Columbia Mineral Exploration Tax Credit in the amount of \$184,996 including interest. The Company has also completed its previously announced summer surface exploration program on the Trout Property including work on the additional two (2) claims totaling approximately 2,360 hectares that had been added to the property in May. The Trout Property now comprises of 24 mineral tenures with a total area of approximately 9,631 hectares.

A total of eight new areas were examined that contain gold and co-incident multi-element till geochemical anomalies. A total of 43 geochemical samples were taken over four of the anomalies and various grab samples which have all been submitted to an accredited lab for analysis. Mineralization at the main Discovery Zone on the Trout Property is a low-sulphidation gold-silver epithermal system hosted by silica-adularia altered breccias in polymictic conglomerate and rhyodacite. At the main Discovery Zone, several new drill targets remain top priority for testing.
