

# Robex Resources Reaffirms Its Willingness to Make an Initial Sale of Gold by the End of the Third Quarter 2014

10.09.2014 | [Marketwired](#)

QUEBEC CITY, QUEBEC--(Marketwired - Sep 10, 2014) - Following the article published by Reuters on September 9, 2014, the [Robex Resources Inc.](#) management ("Robex" and / or "the Company") (TSX VENTURE:RBX)(FRANKFURT:RB4) is pleased to confirm that, as announced in the latest Management's discussion and analysis by the Company, published August 7, 2014, Robex intends to make an initial sale of doré by the end of September 2014.

The Company's management confirms that the problems relating to the proper functioning of the elution system have been resolved and that the last elution proved positively conclusive. Therefore, Robex announces that all of the gold room's components are now installed and operational. Currently, the gold solution is extracted normally from coal.

## About Robex Resources Inc.

ROBEX is a Canadian exploration and mine development company that shares trades in the TSX Venture Exchange (symbol: RBX) in Canada and Germany at the Frankfurt Stock Exchange (Deutsche Bourse AG, symbol: RB4). Robex currently holds eight exploration licenses all located in Mali, West Africa. Mali is currently the third largest producer of gold in Africa.

*This press release contains statements that may constitute "forward-looking information" or "forward-looking statements" as set out within the context of security law. This forward-looking information is subject to many risks and uncertainties, some of which are beyond Robex's control. The actual results or conclusions may differ considerably from those that have been set out, or intimated, in this forward-looking information. There are many factors which may cause such disparity, especially the instability of metal market prices, the results of fluctuations in foreign currency exchange rates or in interest rates, poorly estimated reserves, environmental risks (stricter regulations), unforeseen geological situations, unfavourable extraction conditions, political risks brought on by mining in developing countries, regulatory and governmental policy changes (laws and policies), failure to obtain the requisite permits and approvals from government bodies, or any other risk relating to mining and development. There is no guarantee that the circumstances anticipated in this forward-looking information will occur, or if they do occur, how they will benefit Robex. The forward-looking information is based on the estimates and opinions of Robex's management at the time of the publication of the information and Robex does not assume any obligation to make public updates or modifications to any of the forward-looking statements, whether as a result of new information, future events, or any other cause, except if it is required by securities laws.*

*The TSX Venture Exchange or its Regulation Services Provider (as defined in the policies of the TSX Venture Exchange) accepts no liability for the authenticity or accuracy of this release.*
