

Discovery Ventures Inc. Hires Community Engagement Manager for WillaMAX

11.09.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Sep 11, 2014) - **Discovery Ventures Inc.** (TSX VENTURE:DVN)(FRANKFURT:0DV) ("Discovery" or the "Company"), is pleased to announce that it has recently hired Ms. Vanessa Freberg in the role of Community Engagement Manager for the WillaMAX Project. Ms. Freberg will initially assist in field management of consultants and contractors working in preparation for potential future permit applications. She will be a primary point of contact for communities and first nations in the region of the Willa and MAX project sites.

Ms. Freberg was born and raised in Revelstoke, B.C. and has lived and worked in the Columbia Shuswap and West Kootenays regional districts for most of her career. She is well connected to the communities of Silverton, New Denver, Nakusp, Revelstoke and Trout Lake. She has previously worked at the MAX Mine with various duties including; administration, geology, surface operations and camp services and as a result knows the MAX operations very well. She has since been engaged in a variety of other geological field programs and recently managed firefighting crews for a Revelstoke based wild-firefighting company. Vanessa has a keen interest in mining, geology, sustainability, and the environment, as well as having a deep commitment to her community.

About Discovery

Discovery is an exploration and development stage company focused on the WillaMAX project which is prospective for gold. A summary of the project is provided in a recent WillaMAX Preliminary Economic Assessment (PEA) released May 26, 2014 as amended June 20, 2014 prepared by Wayne M. Ash, P.Eng. The WillaMAX project would combine the Willa copper-gold resource with processing facilities at the MAX Mine, both located in south east BC. Due diligence is underway for project financing that is anticipated to facilitate the completion of key acquisitions and advance engineering and permitting work for both sites. The MAX Mine acquisition includes existing permits, a modern mill & concentrator and sizeable tax loss pools.

On behalf of the Board of Directors,

Akash Patel, President, CEO and Director, [Discovery Ventures Inc.](#)

This press release contains forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of Discovery. There are numerous risks and uncertainties that could cause actual results and Discovery's plans and objectives to differ materially from those expressed in the forward-looking information, including: (i) adverse market conditions; and (ii) risks inherent in the mineral exploration industry in general. Actual results and future events could differ materially from those anticipated in such information. These and all subsequent written and oral forward-looking information are based on estimates and opinions of management on the dates they are made and are expressly qualified in their entirety by this notice. Except as required by law, Discovery does not intend to update these forward-looking statements.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
