

NioGold Mining Corp. Appoints Robert Wares as President and CEO

18.09.2014 | [The Newswire](#)

Langley, B.C. - September 18, 2014 - [NioGold Mining Corp.](#) (TSX-V: NOX) (OTCQX: NOXGF) ("NioGold") is pleased to announce that Mr. Robert Wares has been appointed President and Chief Executive Officer. Michael Iverson will be assuming the office of Executive Vice President, Business Development and will remain on the Board of Directors.

Mr. Wares is a professional geologist with over 35 years experience in mineral exploration and development. He was responsible for the discovery of the Canadian Malartic bulk tonnage gold deposit, which was subsequently developed by [Osisko Mining Corp.](#) into one of Canada's largest gold producers.

Mr. Wares stated: "I am very pleased to take on the new leadership of Niogold. The Company holds excellent properties in the Abitibi Gold Belt, including its flagship Marban property located just 15 kilometres northeast of the Canadian Malartic mine. I plan to focus efforts on increasing gold resources on this property with the longer term objective of transitioning Niogold into the Abitibi's next gold producer."

NioGold Mining Corp. - << On Canada's Golden Highway >>

[NioGold Mining Corp.](#) is a mineral exploration and development company focused on gold. The Company's main projects are located in the prolific Abitibi gold mining district, Quebec. The district has produced over 45 million ounces of gold since the 1930's and presently encompasses six producing gold mines. NioGold's land holdings within the Abitibi presently cover 130km² and encompass four former gold producers, namely the Norlartic, Kierens (First Canadian), Marban and Malartic Hygrade mines that collectively produced 640,000 ounces of gold.

NioGold's experienced and qualified technical team are overseeing the advancement of these projects, targeting expansion of the resource base.

FORWARD-LOOKING STATEMENTS

This news release includes "forward looking statements", as that term is defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Exchange Act of 1934, as amended, that are subject to assumptions, risks and uncertainties. Statements in this news release which are not purely historical are forward looking statements, including without limitation any statements concerning the Company's intentions, plans, estimates, expectations or beliefs regarding the future. Although

the Company believes that any forward looking statements in this news release are reasonable, there can be no assurance that any such forward looking statements will prove to be accurate. The Company cautions readers that all forward looking statements, including without limitation those relating to the Company's future operations and business prospects, are based on assumptions none of which can be assured, and are subject to certain risks and uncertainties that could cause actual events or results to differ materially from those indicated in the forward looking statements. Readers are advised to rely on their own evaluation of such risks and uncertainties and should not place undue reliance on forward looking statements.

Any forward looking statements are made as of the date of this news release, and the Company assumes no obligation to update the forward looking statements, or to update the reasons why actual events or results could or do differ from those projected in the forward looking statements. Except as required by law, the Company assumes no obligation to update any forward looking statements, whether as a result of new information, future events or otherwise.

CAUTIONARY NOTE TO U.S. INVESTORS

The United States Securities and Exchange Commission (the "SEC") permits U.S. mining companies, in their filings with the SEC, to disclose only those mineral deposits that a company can economically and legally extract or produce. We may use certain terms in this news release, such as 'measured resources', 'indicated resources' and 'inferred resources', which the SEC guidelines strictly prohibit U.S. registered companies from including in their filings with the SEC. The news release may contain information about adjacent properties on which we have no right to explore or mine. U.S. investors are cautioned that mineral deposits on adjacent properties may not be indicative of mineral deposits on our properties.
