VANCOUVER, BRITISH COLUMBIA -- (Marketwired - Sept. 25, 2014) - [SolidusGold Inc.](#) ("Solidus" or the "Company") (TSX VENTURE:SDC) announces it intends to raise up to \$175,000 through a non-brokered private placement (the "Private Placement") of up to 875,000 common shares ("Shares") at a price of \$0.20 per share. All securities issued pursuant to the Private Placement will be subject to a four month hold period from the date of issue.

The proceeds from the Private Placement will be used by Solidus for general working capital.

The Private Placement is subject to acceptance by the TSX Venture Exchange.

Certain directors and officers of the Company are expected to acquire securities under the private placement. Such participation would be considered to be a "related party transaction" as defined under Multilateral Instrument 61-101 ("MI 61-101"). The transaction will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of any shares issued to or the consideration paid by such persons will exceed 25% of the Company's market capitalization.
