Arian Silver Corporation: Financing Update

01.10.2014 | Marketwired

LONDON, ENGLAND--(Marketwired - Oct 1, 2014) - Arian Silver Corp. (TSX VENTURE:AGQ)(AIM:AGQ)(FRANKFURT:I3A) (the "Company" or "Arian Silver") a silver exploration, development and production company with a focus on projects in the silver belt of Zacatecas, Mexico, reports that discussions to fully fund the Company's flagship San José silver project continue to progress.

In August 2013, the Company entered into a 12 month US$15.6 million loan facility with Platinum Long Term Growth VIII, LLC ("Platinum" or the "Lender"), convertible at the Lender's option at C$1.10 per share ("Convertible Note"). On 28 August 2014 the maturity date of the Convertible Note was extended to 30 September 2014 for consideration of US$350,000. On 30 September 2014, the Convertible Note was further extended to 15 October 2014 for consideration of $350,000. This extension to the Convertible Note has been approved by the Toronto Venture Stock Exchange conditional upon receipt of the amending agreement and issuance of a news release disclosing the announcement.

The Company is in the process of finalising terms to fully fund the San José project for the foreseeable future and information regarding the new lender and terms of the financing package will be announced upon the conclusion of negotiations.

Full details regarding the loan facility with Platinum were announced on 2 September 2013 and are available from the Company's website at www.ariansilver.com/s/NewsReleases.asp.

Notes to editors

Arian Silver is a silver exploration, development and production company with a focus on projects in Zacatecas, within the silver belt of Mexico, the world's most productive silver district.

Arian Silver's flagship San José silver project comprises the San José underground mine (Ag, Pb, Zn) and the El Bote custom processing plant. The Company is in the process of reassembling the plant, which is expected to begin commissioning by the end of 2014.

Full details of the Company's NI 43-101 compliant mineral resource estimate are available from www.ariansilver.com/s/Sanjose.asp.
