

Maudore Receives a 44 Day Extension to Form a Proposal

10.10.2014 | [Marketwired](#)

VAL-D'OR, QUEBEC--(Marketwired - Oct 10, 2014) - Greg Struble, President and Chief Executive Officer of [Maudore Minerals Ltd.](#) (TSX VENTURE:MAO)(OTCBB:MAOMF)(FRANKFURT:M6L) ("**Maudore**" or the "**Corporation**"), announces today that Maudore, together with its subsidiary Aurbec Mines Inc. ("**Aurbec**"), have each received a 44 day extension from the Superior Court of Canada, Quebec Commercial Division in which to make a proposal under the Notice of Intention ("**NOI**") that was filed on September 8th under the Bankruptcy and Insolvency Act (Canada). The Corporation and Aurbec now have until Friday November 21st in which to complete and present their proposal to their creditors.

Pursuant to the NOI filings, Samson Belair/Deloitte & Touche Inc. will continue as the trustee in the Proposal proceedings of Maudore and Aurbec, and in that capacity will monitor and assist the companies in their restructuring efforts.

About Maudore Minerals Ltd.

Maudore is a Quebec-based junior gold company in production, with mining and milling operations as well as more than 22 exploration projects. Five of these projects are at an advanced stage of development with reported current and historical resources and mining. Currently, all gold production is coming from the Sleeping Giant mine. The Corporation's projects span some 120 km, east-west, of the underexplored Northern Volcanic Zone of the Abitibi Greenstone Belt and cover a total area of 1,285 km², with the Sleeping Giant Processing Facility within trucking distance of key development projects.

Cautionary Statement Regarding Forward-Looking Statements

This release and other documents filed by the Corporation contain forward-looking statements. All statements that are not clearly historical in nature or that necessarily depend on future events are forward-looking, and the words "intend", "anticipate", "believe", "expect", "estimate", "plan" and similar expressions are generally intended to identify forward-looking statements. These forward-looking statements include, without limitation, performance and achievements of the Corporation, business and financing plans, business trends and future operating revenues. These statements are inherently uncertain and actual achievements of the Corporation or other future events or conditions may differ materially from those reflected in the forward-looking statements due to a variety of risks, uncertainties and other factors, including, without limitation, financial related risks, unstable gold and metal prices, operational risks including those related to title, significant uncertainty related to inferred mineral resources, operational hazards, unexpected geological situations, unfavourable mining conditions, changing regulations and governmental policies, failure to obtain required permits and approvals from government authorities, failure to obtain any required approvals of the TSX Venture Exchange, failure to obtain any required financing or the approval of creditors to the Proposals to be presented to them, failure to implement any strategic alternatives for the Corporation, increased competition from other companies many of which have greater financial resources, dependence on key personnel and environmental risks and the other risks described in the Corporation's continuous disclosure documents.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
