

Deveron Resources Ltd. Announces Results of Annual Meeting

10.06.2014 | [Marketwired](#)

TORONTO, June 10, 2014 - [Deveron Resources Ltd.](#) (TSX VENTURE:DVR) ("Deveron" or "the Company"), is pleased to announce the results of the Company's annual meeting of shareholders held on May 29, 2014.

Mr. James Borland was elected as a new member of the Deveron board of directors replacing Mr. Michael Power, who did not stand for re-election. The Company would like to thank Mr. Power for his contributions and welcome Mr. Borland to the Company. In addition, the Company is pleased to announce the re-election of James Pirie, Chris Irwin and David MacMillan as directors of the Company.

Mr. Borland brings 25 years of mining industry experience to the Company and is currently the President of Strait Minerals, a TSX Venture listed company. He founded Borland, Levand & Associates in 1998, a firm that has provided management services to clients in the mineral resources sector including Anvil Mining, Blue Pearl Mining and Glencairn Gold Corp. Previously, he was Manager of Research Communications for BMO Nesbitt Burns Inc. and Vice-President Investor Relations for Boliden Ltd. From 1987 to 1992, he was Editor of The Northern Miner newspaper, having worked at the publication as a journalist since 1984.

Shareholders of the Company also reappointed McCarney Greenwood LLP as auditors of the Company and approved the stock option plan as described in the Company's management and information circular.

This news release includes certain "forward looking statements" within the meaning of that phrase under Canadian securities laws. Without limitation, statements regarding potential mineralization and resources, exploration results, and future plans and objectives of the Company are forward looking statements that involve various degrees of risk. Forward-looking statements reflect management's current views with respect to possible future events and conditions and, by their nature, are based on management's beliefs and assumptions and subject to known and unknown risks and uncertainties, both general and specific to the Company. Although the Company believes the expectations expressed in such forward-looking statements are reasonable, such statements are not guarantees of future performance and actual results or developments may differ materially from those in our forward-looking statements. The following are important factors that could cause the Company's actual results to differ materially from those expressed or implied by such forward looking statements: changes in the world wide price of commodities, general market conditions, risks inherent in exploration, risks associated with development, construction and mining operations, the uncertainty of future profitability and the uncertainty of access to additional capital. Additional information regarding the material factors and assumptions that were applied in making these forward looking statements as well as the various risks and uncertainties we face are described in greater detail in the "Risk Factors" section of our annual and interim Management's Discussion and Analysis of our financial results and other continuous disclosure documents and financial statements we file with the Canadian securities regulatory authorities which are available at www.sedar.com. The Company undertakes no obligation to update this forward-looking information except as required by applicable law. The Company relies on litigation protection for forward looking statements.
