

Forsys Closes \$2.4 Million Private Placement

29.10.2014 | [Marketwired](#)

TORONTO, ONTARIO--(Marketwired - Oct 29, 2014) - [Forsys Metals Corp.](#) (TSX:FSY)(FRANKFURT:F2T)(NAMIBIAN:FSY) ("Forsys" or the "Company") today reported that it has closed its previously announced non-brokered private placement by issuing 9,420,000 units at \$0.25 per unit for gross proceeds of \$2,355,000 (CDN).

Each unit consists of one Class A Common Share ("Common Share") and one half of one Common Share purchase warrant that entitles the holder to acquire a new Common Share in Forsys at a price of \$0.35 expiring on 27 October 2016. All securities issued through the private placement are subject to a four-month and one-day hold period from the date of the closing. There were no finders' fees payable on the private placement.

Proceeds from the private placement will be used to fund the completion of the Company's previously announced Feasibility Study for the Norasa Uranium project in Namibia as well as for general working capital purposes.

Forward-Looking Information

This news release contains projections and forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information can include without limitation statements based on current expectations involving a number of risks and uncertainties and are not guarantees of future performance of the Company. The following are important factors that could cause Forsys actual results to differ materially from those expressed or implied by such forward looking statements: fluctuations in uranium prices and currency exchange rates; uncertainties relating to interpretation of drill results and the geology; continuity and grade of mineral deposits; uncertainty of estimates of capital and operating costs; recovery rates, production estimates and estimated economic return; general market conditions; the uncertainty of future profitability; and the uncertainty of access to additional capital. Full description of these risks can be found in Forsys Annual Information Form available on the Company's profile on the SEDAR website at www.sedar.com. These risks and uncertainties could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information. Actual results and future events could differ materially from anticipated in such information. These and all subsequent written and oral forward looking information are based on estimates and opinions of management on the dates they are made and expressed qualified in their entirety by this notice. The Company assumes no obligation to update forward-looking information should circumstances or management's estimates or opinions change.

The Toronto Stock Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
