

Mineral Mountain Resources Ltd. Announces the Resignation of Norman "Wally" Rayner

15.12.2014 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Dec 15, 2014) - Nelson W. Baker, President and CEO of [Mineral Mountain Resources Ltd.](#) ("**Mineral Mountain**" or the "**Company**") (TSX VENTURE:**MMV**) (OTCQX:**MNRLF**) announces that the Company has accepted the resignation of Norman "Wally" Rayner as a director and as Vice President of Exploration effective December 15, 2014. Mr. Rayner has, however, volunteered his services to the Company as an independent consultant.

The Company wishes to thank Mr. Rayner for his valuable contributions to our Canadian-based projects and for our Holy Terror and Rochford projects in the Black Hills of South Dakota, U.S.A., and for his years of service.

On Behalf of the Board of Directors of **MINERAL MOUNTAIN RESOURCES LTD.**

Nelson W. Baker, President and CEO

Reader Advisory

"Neither TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release."

This release includes certain statements that may be deemed to be "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "could" or "should" occur. Forward looking information in this news release includes, without limitation, all statements regarding the completion of future tranches of the Private Placement and the use of proceeds of the Private Placement. Although the Company believes the expectations expressed in such forward looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Factors that cause the actual results to differ materially from those in forward-looking statements include gold prices, results of exploration and development activities, regulatory changes, defects in title, availability of materials and equipment, timeliness of government approvals, continued availability of capital and financing and general economic, market or business conditions. The Company cautions the foregoing list of important factors is not exhaustive. Investors and others who base themselves on the Company's forward-looking statements should carefully consider the above factors as well as the uncertainties they represent and the risk they entail. The Company believes that the expectations reflected in those forward-looking statements are reasonable, but no assurance can be given that these expectations will prove to be correct. Please see the public filings of the Company at www.sedar.com for further information.
