THIS PRESS RELEASE IS NOT TO BE DISTRIBUTED TO U.S. NEWSWIRE SERVICES OR TO BE DISSEMINATED IN THE UNITED STATES. ANY FAILURE TO COMPLY WITH THIS RESTRICTION MAY CONSTITUTE A VIOLATION OF U.S. SECURITIES LAWS.

VANCOUVER, Dec. 23, 2014 /CNW/ - [Brazil Resources Inc.](#) (the "Company" or "Brazil Resources") (TSX-V: BRI; OTCQX: BRIZF) is pleased to announce that, further to its press release dated December 15, 2014, it has increased the size of its previously announced non-brokered private placement (the "Private Placement") of units of the Company (each, a "Unit") at \$0.55 per Unit from aggregate gross proceeds of \$2.5 million to aggregate gross proceeds of up to \$3.5 million or 6,363,636 Units.

Amir Adnani, Chairman, stated: "We are very pleased with the level of participation from insiders, current shareholders and new investors. As earlier stated, the funds from the private placement will be used to advance the Company's gold projects and its Rea Uranium project and for strategic initiatives, including the acquisition and exploration of additional mining properties, and for working capital and general corporate purposes."

Each Unit will be comprised of one common share of the Company and one common share purchase warrant (the "Warrants") entitling the holder thereof to acquire one common share at an exercise price of \$0.75 up to 5 years after the closing of the Private Placement. Closing of the Private Placement is expected for the end of December 2014 and is subject to receipt of all necessary approvals, including the approval of the TSX Venture Exchange and receipt of definitive subscriptions.

The Units, common shares and Warrants have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any U.S. state securities laws and may not be offered or sold in the United States absent registration or an available exemption from the registration requirement of the U.S. Securities Act and applicable U.S. state securities laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Units, common shares or Warrants, in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Forward Looking Statements

This news release contains certain forward-looking statements that reflect the current views and/or expectations of the Company with respect to its performance, business and future events, including statements regarding the timing, completion, size and regulatory approval of the Private Placement. Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the industry and markets in which the Company operates, including that: the Company will finalize definitive agreements with subscribers, the current price of and demand for minerals being targeted by the Company will be sustained or will improve; the Company's current exploration programs and objectives can be achieved; the Company will be able to obtain required exploration licences and other permits; general business and economic conditions will not change in a material adverse manner; financing will be available if and when needed on reasonable terms; the Company will not experience any material accident; receipt of all regulatory approvals, including of the TSXV, for the Private Placement; and the Company will be able to identify and acquire additional mineral interests on reasonable terms or at all. Forward-looking statements are not guarantees of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Investors are cautioned that all forward-looking statements involve

risks and uncertainties, including: that the Company will not be able to finalize definitive agreements with subscribers; that the Company has a limited operating history; that resource exploration and development is a speculative business; that the Company may lose or abandon its property interests or may fail to receive necessary licences and permits; that the Company's properties are in the exploration stage and are without known bodies of commercial ore; that the Company may not be able to obtain all necessary permits and approvals on any of its properties; that environmental laws and regulations may become more onerous; that the Company may not be able to raise additional funds when necessary; potential defects in title to the Company's properties; fluctuations in currency exchange rates; fluctuating prices of commodities; operating hazards and risks; competition; potential inability to find suitable acquisition opportunities and/or complete the same; and other risks and uncertainties listed in the Company's public filings. These risks, as well as others, could cause actual results and events to vary significantly. Accordingly, readers should not place undue reliance on forward-looking statements and information, which are qualified in their entirety by this cautionary statement. There can be no assurance that forward-looking information, or the material factors or assumptions used to develop such forward looking information, will prove to be accurate. The Company does not undertake any obligations to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.
