Mr. John Costigan, President of Electra is pleased to welcome Darrell Dudley and Kyler Hardy to the Board. Mr. Costigan stated "I am pleased to welcome Kyler Hardy to the board, his hands on experience in industrial minerals will add significant depth to the board. I am also pleased to introduce Darrell Dudley to the Board. We look forward to his contributions and leadership as he brings his understanding and experience of project logistics, which is one of the critical keys to a successful industrial minerals company. I believe these appointments are the seeds of developing a strong and successful Industrial Minerals Company."

Kyler Hardy is a seasoned and successful entrepreneur who has been involved within the exploration and mining industry for over fourteen years. His career has spanned many facets of the industry including diamond driller, project manager, exploration service contractor, business consultant and public company management. He has extensive experience building companies from early stage start-ups to advanced operating companies. He was a founder and former CEO of UTM Exploration Services Ltd., a turn-key geosciences and logistics management business specializing in grassroots to brownfields exploration and active partnerships with the First Nations. He sits as a Director on the boards of Equitas Resources Corp and Granite Creek Gold, and is President of the Ridge Group of Companies which has diverse holdings.

Darrell Dudley holds the title of Manager - Transportation and Logistics at a large Canadian forest products manufacturer. Prior to taking on this position, Mr. Dudley represented Western Potash Corp as its Transportation Manager, joining the company in Jul, 2011 and playing a key role in designing its port, rail and supply chain plan as part of its completed feasibility study. Mr. Dudley has over 25 years of experience in international transportation and logistics and sales and marketing expertise. Mr. Dudley earned a Bachelor of Commerce degree at the University of British Columbia, graduating in 1986.
