

# Medgold Resources Corp. Announces Proposed \$220,000 Private Placement

30.01.2015 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwired - Jan. 30, 2015) - [Medgold Resources Corp.](#) (TSX VENTURE:MED) (the "Company") is pleased to announce that it proposes to arrange, subject to TSX Venture Exchange approval, a non-brokered private placement financing of up to 2.0 million units at \$0.11 per unit, for proceeds of up to \$220,000. Each unit will consist of one common share and one warrant entitling the holder to purchase one additional common share of the Company at \$0.16 for one year from closing.

The Company may pay finder's fees on a portion of the financing, payable in cash or units, plus finder's warrants which will be exercisable into one common share of the Company at a price of \$0.16 for one year from closing.

The net proceeds of the placement will be used towards exploration of the Company's properties in Europe and for general working capital purposes.

The securities referred to in this news release have not been, and will not be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements of such Act. This news release shall not constitute an offer to sell, nor the solicitation of an offer to buy, any securities. Any public offering of securities in the United States must be made by means of a prospectus containing detailed information about the company and management, as well as financial statements.

## About Medgold

Medgold is aiming to become the leading Mediterranean-focused gold exploration and project development company, with an extensive portfolio and pipeline of projects in Portugal and Spain, targeting economically stressed, but politically stable European countries that are seeking foreign investment to invigorate the mining sector.

## Forward-looking statements

*Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about the proposed private placement to be completed by the Company. Often, but not always, these forward looking statements can be identified by the use of words such as "estimate", "estimates", "estimated", "potential", "open", "future", "assumed", "projected", "used", "detailed", "has been", "gain", "upgraded", "offset", "limited", "contained", "reflecting", "containing", "remaining", "to be", "periodically", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.*

*Forward-looking statements involve known and unknown risks, uncertainties and other factors which may*

*cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors include, among others, receipt of subscriptions for the units offered in the private placement; receipt of TSX Venture Exchange approval of the private placement; closing of the private placement; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; and such other risks detailed from time to time in the Company's quarterly and annual filings with securities regulators and available under the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.*

*Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: expectations regarding receipt of subscriptions for the units offered in the private placement; receipt of TSX Venture Exchange approval of the private placement; closing of the private placement; that the Company's stated goals and planned exploration and development activities will be achieved; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.*
