20.02.2015 | [Marketwired](#)

CALGARY, Feb 20, 2015 - [Southern Pacific Resource Corp.](#) (TSX:STP) (the "Company" or "Southern Pacific") is a thermal heavy oil and bitumen producer based in Calgary, Alberta. Southern Pacific has initiated a process to solicit proposals to: 1) acquire the Company and its assets; or 2) acquire some or all of the assets of the Company; or 3) make an investment to recapitalize and restructure the debt of the Company (collectively a "Bid").

Strategic and financial alternatives to be considered may include, but are not limited to, the sale of the Company, merger or other business combination, new investment or other financing alternative as a part of a recapitalization, sale of all or a portion of the Company's assets, or any combination thereof.

On January 21, 2015 the Company and its subsidiaries and partnerships obtained an initial order (the "Initial Order") under the Companies' Creditors Arrangement Act ("CCAA") from the Alberta Court of Queen's Bench (the "Court"). As part of the Initial Order, RBC Capital Markets' ("RBC") engagement as financial advisor to the Company was affirmed.

PwC Canada has been appointed by the Court as monitor under the CCAA proceedings (the "Monitor"). All of the materials filed with the Court, including the Initial Order are available on the Monitor's website (www.pwc.com/car-stp). The Company's operations are continuing uninterrupted during the Court-supervised restructuring process.

A further order of the Court was obtained by Southern Pacific on February 17, 2015 whereby the Court approved a Sale and Investor Solicitation Process (the "SISP") led by RBC to seek a successful Bid. In order to participate in the SISP, an interested party must deliver to RBC an executed non-disclosure agreement, in form and substance satisfactory to the Monitor, RBC and the Company.

Upon execution of the non-disclosure agreement, RBC shall provide such party with access to the electronic data room containing confidential information concerning Southern Pacific, its business and property, along with a management presentation, together with such further information as the Monitor or RBC deem appropriate.

A bidder, if it wishes to submit a bid, will deliver written copies of a final, binding proposal to RBC at the address specified in the SISP so as to be received not later than 12:00 p.m. (Mountain Standard Time) on April 2, 2015, or such other date or time as may be agreed by RBC, in consultation with the Monitor and the Company.

Further details with regard to the SISP are available on each of RBC's website (www.rbcbundle.com) or on the above referenced Monitor's website.
