

Bacanora Confirms Appointment of New Board Member

19.03.2015 | [Marketwired](#)

CALGARY, ALBERTA--(Marketwired - Mar 19, 2015) - BACANORA MINERALS LTD. (the "Corporation" or "Bacanora") (TSX VENTURE:BCN)(AIM:BCN) is pleased to announce that, further to its March 3, 2015 press release, all regulatory approvals required to effect the appointment of David Lenigas to the board of the Company as a non-executive director have been received and accordingly, his appointment has now taken immediate effect.

Mr. David Anthony Lenigas (aged 53) holds a Bachelor of Applied Science (Mining Engineering) from Curtin University's Kalgoorlie School of Mines and holds a First Class Mine Managers Certificate for Western Australia. Mr. Lenigas has extensive operational and corporate experience in managing companies within the oil and gas, gold, coal and other natural resource sectors. Mr. Lenigas also has a wealth of experience operating in global public markets, having served as a Chairman and/or director and acted in a senior executive capacity on many public company boards. He is currently the Executive Chairman of [Rare Earth Minerals plc](#) ("REM"), AfriAg Plc, UK Oil & Gas Investments Plc and Evocutis Plc and is the non-Executive Chairman of Inspirit Energy Holdings Plc and is a non-executive director of Octagonal Plc. REM holds 12,669,208 shares in Bacanora representing 15.02 per cent. of the issued share capital of the Company.

Colin Orr-Ewing, Non-Executive Chairman, commented: "We are very pleased to have received all required approvals to allow David to join our board and look forward to him immediately bringing his extensive experience to assist in further advancing the Company."

Reader Advisory

Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: commodity price volatility; general economic conditions in Canada, the United States, Mexico and globally; industry conditions, governmental regulation, including environmental regulation; unanticipated operating events or performance; failure to obtain industry partner and other third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital, skilled personnel and supplies; changes in tax laws; and the other risk factors disclosed under our profile on SEDAR at www.sedar.com. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the

policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
