

MONTREAL, QUEBEC--(Marketwired - Mar 26, 2015) - Canada Strategic Metals Inc. ("Strategic Metals" or the "Company") (TSX VENTURE:CJC)(FRANKFURT:YXEN)(OTCBB:CJCFF) is pleased to announce that it has closed the first tranche of a non-brokered private placement, for an amount of \$125,000.

The Company has issued 1,250,000 units of common shares at a price of \$0.10 per unit, for gross proceeds of \$125,000. Each unit consists of one common share priced at \$0.10 and half a warrant to purchase a common share of the Company. Each warrant entitles its holder to purchase one common share of the Company at \$0.15 for a 24-month period after closing of the private placement.

The Company paid intermediary fees of \$2,000, along with 20,000 compensation options entitling their holders to purchase 20,000 common shares of the Company at a price of \$0.15 per share for an 24-month period following the closing of the private placement.

All the securities issued under the private placement are subject to a mandatory hold period of four months plus one day following the closing of the private placement.

The Company is pursuing its efforts in order to proceed to a second closing, in the coming weeks, of this private placement for up to \$500,000.

The proceeds of this private placement will be used for working capital and for property development.

The private placement is subject to regulatory approval.
