

Former Attorney General of Louisiana, Charles C. Foti, Jr., Esq., a partner at the law firm of Kahn Swick & Foti, LLC (â's), announces that KSF has commenced an investigation into HalcÃ³n Resources Corporation (NYSE: HK).

On March 30, 2015, HalcÃ³n filed a Definitive Proxy Statement with the U.S. Securities and Exchange Commission, which asked shareholders to approve a proposed amendment of a Convertible Note and Warrants held by HALRES, one of the Companyâ's largest shareholders, at the upcoming annual shareholder meeting on May 6, 2015. The proposed amendment would extend the terms of the Convertible Note and Warrants by an additional three years (from 2017 to 2020) and reduce the conversion and exercise prices from \$4.50 to \$2.44 per share. The Proxy Statement, however, failed to disclose, among other things: (i) the negotiations between a special committee of the Companyâ's board of directors and HALRES regarding the amendments; (ii) what, if any, alternative arrangements were considered; and (iii) the underlying analysis of the special committeeâ's advisor.

KSFâ's investigation is focusing on whether HalcÃ³nâ's officers and/or directors breached their fiduciary duties to HalcÃ³nâ's shareholders or otherwise violated state or federal laws.
