

VANCOUVER, Canada / TheNewswire / April 13, 2015 -- [Viscount Mining Corp.](#) (TSX-V: VML) ("Viscount" or "the Company"), a mineral resource exploration company with a portfolio of past producing gold and silver mines and exploration properties in the Western United States, is pleased to announce it has strengthened its monopoly of the Cherry Creek Mining District in White Pine county Nevada.

The Cherry Creek Project (the "Property") lies within an historic silver district, where high grade silver production came from numerous mines up to the 1920's. This land holding includes the three largest past producing silver mines on the property - the Exchequer/New Century Mine, Ticup and the Star Mine.

After signing an Exploration - Earn In Agreement with Summit Mining Exploration II Inc. ("Summit"), a wholly owned US subsidiary of Sumitomo Corporation, Summit as operators are gearing up for a full 2015 exploration campaign on the Company's Cherry Creek property block. As such, the Company has, at Summit's request, staked 17 additional lode claims to protect what they consider highly prospective ground. The area staked has been previously referred to as the "Zinc Beds"

Summit has also leased a 5 acre parcel from a local resident to erect an exploration base camp. The camp will include modular office and living quarters, core logging and storage facilities and installation of utilities.
