Cautionary Note Regarding Forward-Looking Statements

Statements contained in this news release that are not historical fact are forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995 and forward-looking information under the provisions of Canadian securities laws (collectively, "forward-looking statements"). Such forward-looking statements are subject to risks and uncertainties which could cause actual results to differ materially from estimated results. Such risks and uncertainties include, but are not limited to, the company's ability to raise sufficient capital to fund exploration, changes in economic conditions or financial markets, changes in prices for the company's mineral products or increases in input costs, litigation, legislative, environmental and other judicial, regulatory, political and competitive developments in Mexico, technological and operational difficulties or inability to obtain permits encountered in connection with exploration and development activities, labour relations matters, and changing foreign exchange rates, all of which are described more fully in Camino's filings on SEDAR. The company undertakes no obligation to publicly update or otherwise revise any forward-looking statements, whether as a result of new information, future events or other factors, except as required by law. Readers are cautioned not to place undue reliance on forward-looking statements.
