

Toronto, Ontario (FSCwire) - [Stans Energy Corp.](#) (TSX-V: HRE, OTCQX: HREEF) (Stans; or The Company) announces that it has commenced a new arbitration proceeding against the Kyrgyz Republic (the Republic) under the UNCITRAL Rules. Stans alleges that the Republic unlawfully expropriated its Kutessay II mining licence. Stans continues to seek the recognition and enforcement of its US\$118 million award from the International Arbitration Tribunal of the Moscow Chamber of Commerce & Industry (MCCI) at the Ontario Superior Court of Justice, which remains scheduled for June 29, 2015.

In the meantime, the *Mareva* injunction, freezing approximately 47 million shares of [Centerra Gold Inc.](#), remains in place in Canada. Kyrgyzaltyn (KJSC), the beneficial owner of the Centerra Gold shares, will be seeking to set aside the *Mareva* injunction at a previously scheduled May 15, 2015, appeal. KJSC also intends to move, based on the Moscow Arbitrazh Court's April 29<sup>th</sup> decision, to set aside the *Mareva* injunction mentioned above on June 29, 2015.

As part of our ongoing strategy to ensure collection of damages awarded by the MCCI, Stans has initiated a secondary arbitration claim against the Kyrgyz Republic. It remains our intention to enforce the MCCI award and should we have to proceed with the new arbitration process, we will work with internationally accredited valuers to quantify our losses, which we estimate are now significantly higher than the US\$118 million awarded by the MCCI arbitral tribunal, states Rodney Irwin, Interim President and CEO.

#### About Stans Energy

[Stans Energy Corp.](#) is a resource development company focused on advancing rare earth and specialty metals properties in areas of Central Asia and Russia. Stans acquired the past producing rare earth mine, Kutessay II, in the Kyrgyz Republic in 2009. Since that time the Government of the Republic of Kyrgyzstan took expropriatory actions against the Company's interests in that country. Subsequently Stans Energy applied to international arbitration to resolve the conflict. On June 30, 2014, Stans Energy was awarded US\$118 Million by the Arbitration Tribunal at the Moscow Chamber of Commerce and Industry. On October 24, 2014, Stans Energy arrested 47 million shares of Centerra Gold (TSX: CG) as security in this matter. This security allows the Company to pursue the recognition of its arbitral award against the Kyrgyz Republic in the Canadian court system. Stans is now seeking recognition by the Ontario Superior Court of Justice to collect US\$ 118 Million worth of Centerra Gold shares

We seek safe harbour.
