

Electra Stone Ltd. Announces \$2,000,000 Non-Brokered Private Placement

22.05.2015 | [ACCESS Newswire](#)

Vancouver, British Columbia - [Electra Stone Ltd.](#) (TSX Venture: ELT)(FSE: A14NCM) ("Electra") is pleased to announce that the Company has arranged for a non-brokered private placement (the "Private Placement") of 40,000,000 units (the "Units") at a subscription price of \$0.05 per Unit to an individual subscriber for gross proceeds of up to \$2,000,000. This private placement will result in a change of control of Electra and will require shareholder approval prior to its completion.

Each Unit will consist of one common share and one-half of a share purchase warrant. Each whole warrant will be exercisable into one additional common share (the "Warrant Share") of the Company at \$0.10 per Warrant Share for a period of two years from closing of the Private Placement.

The common shares issued or issuable pursuant to the Private Placement will be restricted from trading for a four month hold period in accordance with applicable securities laws and policies of the TSX Venture Exchange (the "Exchange"). Completion of the Private Placement is subject to a number of conditions, including, without limitation, receipt of all regulatory approvals, including approval of the Exchange and approval by the shareholders of the Company.

Finders fees are payable in connection with the private placement of 8% in units. The units are comprised of one common share and one-half of a share purchase warrant exercisable at \$0.10 per share for a period of two years from closing.

The net proceeds of the Private Placement will be used to advance the Company's operations and for general and corporate purposes.

About Electra Stone

[Electra Stone Ltd.](#) (the "Company") (formerly Electra Gold Ltd.) is a mining company, specializing in the development of and exploration for industrial minerals and dimensional stone. The Company is in the process of mining the Apple Bay mineral properties located on Vancouver Island near Port Hardy, British Columbia. The mineral claims are located on crown land within the traditional territory of Quatsino First Nation Band. The Company has also recently entered into the dimensional stone sector with a current focus on Nephrite Jade exploration in British Columbia. The Company currently trades on the TSX Venture Exchange under the symbol ELT.
