

Standard Tolling Closes Tranche #3 Ore Purchase Financing

22.05.2015 | [FSCwire](#)

White Rock, British Columbia (FSCwire) - [Standard Tolling Corp.](#) (TSX-V: TON, Frankfurt: GA0, “Standard Tolling” or the “Company”) announces it has closed the third tranche of a non-brokered private placement of units to raise gross proceeds of US\$100,000 (“Debt Offering”). The total Debt Offering is US\$2,250,000, the Company closed on US\$1,466,000 on March 25, 2015 and April 14, 2015, and the Company will attempt to close on the balance of US\$684,000.

Leonard Clough, President and CEO comments, “This is the third tranche closing of the dedicated ore purchase debt facility with the final closing pending. We look forward to deploying this capital in short order and appreciate the support of our financiers.”

Debt Offering

On May 22, 2015, the Company issued 100 Notes (described below) and 50,000 Debt Warrants (described below) to raise gross proceeds of US\$100,000. Each unit (a “Debt Unit”) comprises one ore purchase note of the Company priced at US\$1,000 (a “Note”) and 500 non-transferable share purchase warrants (a “Debt Warrant”). The Notes shall bear interest at a rate of 10% per annum payable quarterly in arrears, and shall entitle the holders thereof to a further pro-rata payment representing an aggregate of 2% of net revenues from the Company’s toll processing facility in Peru upon the commencement of commercial production. The Notes will mature three years from the date of issue. The Company may, twelve months after the date of issue of the Note, have the right (upon 90 days prior written notice to the affected holder) to redeem Notes in part or in full at a price of US\$1,100 per each redeemed Note plus payment of all accrued amounts due in respect of the redeemed Notes. The holders of the Notes shall be granted certain security in respect of the Company’s ore purchases. In addition, the purchasers of the Notes shall be granted pre-emptive rights during the time they hold the Notes to participate in any future debt securities of the Company where the principal purpose of the financing is the purchase of ore. Each Debt Warrant will entitle the holder to acquire one additional common share in the capital of the Company (a "Debt Warrant Share") until the date which is three years from the date of issue at a price of CAD\$0.25 per Debt Warrant Share. All securities issued in connection with the third tranche of the Debt Offering are subject to a hold period in Canada expiring on September 23, 2015. The Company paid US\$10,000 and issued 12,500 Debt Warrants as finder’s fee in connection with the Debt Units issued.

A US\$1,750,000 ore purchase finance facility will be segregated from the net proceeds of the Debt Offering to be used to fund and maintain a minimum of two months inventory ore purchases for the toll milling plant, located in Huamachuco, Peru.

About Standard Tolling Corp.

Standard Tolling is currently constructing a 100 TPD custom gold processing plant in order to service the local mining communities of Northern Peru. The Company will purchase ore from government permitted small-scale miners and formal mining companies permitted under a Certificate of Mining. The Company will then process the ore and sell gold dore. The plant is located within a prolific gold belt with close proximity to Rio Alto’s La Arena gold mine. The Company is well funded and is on track to commence operations by July 2015.
