

MONTREAL, QC / ACCESSWIRE / May 26, 2015 / [Uragold Bay Resources Inc.](#) ("Uragold") (TSX Venture: UBR) is pleased to announce that it has closed on May 25, 2015 a non-brokered private placement comprised of 5,209,184 Flow-Through Units ("Unit") at \$0.055 per Unit for gross proceeds of \$286,505. The net proceeds from the Private Placement will be used to finance the implementation of the Corporation's go forward plan for Q1/Q2 2015 and was predicated by our press release on March 2, 2015 in which we announced "Major Producer Confirms Interest in Purchasing Significant Tonnage of High Purity Quartz From Uragold Quartz Property in Quebec" and our press release on April 13, 2015 in which announced "Uragold subsidiary, Quebec Quartz, signs MOU with Dorfner Anzaplan to evaluate potential of its high purity quartz deposit."

Each Unit is comprised of one (1) common share and a half (1/2) common share purchase warrant ("Warrant") of the Company. Each Warrant will entitle the holder thereof to purchase one common share of the capital stock of the Company at an exercise price of \$ 0.10 during a period of 24 months from the date of closing of the placement. Each share issued pursuant to the placement will have a mandatory four (4) month holding period until September 25, 2015.

The Company paid a cash finder's fee of \$28,150 and issued of 255,909 common shares and 255,909 options to EMD Financial Inc. of Montreal Quebec. Each option will give the right to purchase one (1) common share at 5.5 cents for 24 months.

Patrick Levasseur, President and COO of UBR stated, "We are extremely please that the developments of Quebec Quartz's high purity quartz projects is attracting investors interest. Our recent announcement regarding interest from a major producer in purchasing significant tonnage of our high purity quartz and our collaboration with Anzaplan are major milestones in our quartz strategy. We will soon be starting field work to the determine the full potential of our industry leading quartz properties."

Other Private Placement

Uragold is also pleased to announce that it is also in the process of closing a hard cash non-brokered private placement, which is comprised of 3,800,000 units ("Unit") at \$0.05 per Unit for gross proceeds of \$190,000. The net proceeds from the Private Placement will be used for general corporate expenditures.

Each Unit is comprised of one (1) common share and one (1) common share purchase warrant ("Warrant") of the Company. Each Warrant will entitle the holder thereof to purchase one common share of the capital stock of the Company at an exercise price of \$ 0.07 during a period of 36 months from the date of closing of the placement. Each share issued pursuant to the placement will have a mandatory four (4) month holding period from the date of closing of the placement. The hard cash placement is subject to standard regulatory approvals.

About UBR- Quebec Quartz

UBR- Quebec Quartz is the largest holder of distinct High Purity Quartz properties in Quebec. Despite the abundance of quartz, very few deposits are suitable for high purity applications.

Quebec Quart's objective is to transform its High Purity Quartz into Ultra High Purity Quartz Sands to generate significantly greater profits and become a leading supplier of Ultra High Purity Quartz.

Quartz from the Roncevaux property successfully passed rigorous testing protocols of a major silicon metal producer confirming that our material is highly suited for their silicon metal production.

About Uragold Bay Resources Inc.

Uragold Bay Resources is a TSX-V listed Gold and High Purity Quartz exploration junior focused on generating free cash flow from mining operations. Our business model is centered on developing mining projects suited for smaller-scale start-up and that could potentially generate high yield returns. Uragold will reach these goals by developing Quebec's first paleoplacer mine in 50 years, the Beauce Placer Project and, in partnership with Golden Hope Mines, the Bellechasse-Timmins Gold Deposit.
